Meeting Discussion

6:30 – 6:35 pm: Welcome – Jerry Sutton, ASAP Chair

Meeting jumped off with a welcome, making sure members signed in and received an agenda, introduction of all attendees, and approval of the previous month's minutes. Coalition agreed to approval of last month's meeting minutes.

6:35–7:15 pm: Presentation of EdLogic Website – Thomas and Ryan Chamberlain, Creators of EdLogic

Ryan Chamberlain is with Uplift Recovery Homes and Thomas Chamberlain has been in healthcare for 30+ years and specializes in family practices and ambulatory care. EdLogic is a technology platform created to disseminate outreach in a fun and more effective way. The site focuses on providing healthcare resources to family members. They believe that health literacy is a significant factor in better health outcomes and decreasing healthcare cost. EdLogic is unique in that it engages users by applying healthcare information to gamification.

Below are the key attributes to EdLogics solutions:

- Evidence based health info
- Interactive health games
- Multimedia educational programs
- Innovative gamification strategies
- Personalized learning experiences
- Unique reward incentives
- Targeted strategic messaging
- Health literacy and numeracy assessment
- Robust reporting and analytics
- Validated knowledge improvement
