6:35–6:50 pm: Strategic Plan Overview & Experience – Jessica Correll, Assistant Co-Coordinator

Jessica outlined our Strategic Plan she has worked on with the help of the coalition from last month's meeting. We are excited to implement our four strategies to the end of our grant:

1. Responsible Beverage Server training
2. Developing policies and practices regarding fake IDs by means of police and the Alcoholic Beverage Control Board
3. Conducting alcohol age compliance checks
4. Enhancing Law Enforcement capacity and commitment to address alcohol laws

She continued to say that she is very grateful to have been given this position with ASAP. She is now in recovery but has struggled with alcoholism most of her life.

The Behavioral Health Administration has allowed us to extend our media campaign for another six weeks. We are currently running on WRNR and plan to work with WNAV shortly. Our commercial is now running on the Maryland Crabs podcast!

There was a recent article published in the Capital Gazette about ASAP's food contributions at the Annual Kickball game through the police department. Here's the link to the article:
